

LOUIS JADOT

200th anniversary
of the acquisition of
the Beaune Premier Cru Clos
des Ursules Monopole

1826-2026

The story of Louis Jadot wines began with the acquisition of Beaune Premier Cru Clos des Ursules, the Maison's historic monopole. This 1.26-hectare vineyard was acquired in 1826. To celebrate this bicentenary, Maison Louis Jadot unveils an exclusive selection of old vintages from this exceptional climat.

VINTAGES

1976 : A very dry year, which resulted in low yields. The grapes reached maturity through concentration. Red wines are wonderful.

1988 : A sunny and very abundant harvest. Healthy grapes and good ripeness. Great red wines.

1996 : A sunny harvest, with very healthy and very ripe grapes. Cool weather and pronounced acidity. A very abundant harvest. Good-quality red and white wines.

2005 : A rather eventful vintage, with an early start to the growing

season. The red wines were very concentrated and aromatic, with excellent ageing potential.

2009 : Budbreak came very early and flowering took place under ideal conditions. The red wines are full of energy, with elegant and velvety tannins.

2012 : Heavy hailstorms occurred in June. In August, the sun returned, allowing the grapes to reach very good ripeness. A vintage with low yields and little juice, but with beautiful tannic structure in the red wines.
